

## PRESS RELEASE

### Change in the Dr. Schneider management

No. 3 | Page 1  
28th February 2020

#### Malte Mornhart becomes Commercial Managing Director

**Kronach-Neuses.** Changes in the management of the Dr. Schneider Unternehmensgruppe: Malte Mornhart takes over the commercial management of the automotive supplier headquartered in Kronach-Neuses on 1st March 2020.

After training as a banker, the 44-year-old Malte Mornhart studied business administration at the University of Münster, majoring in accounting/controlling, corporate finance and international management. He has many years of experience in the field of finance and controlling, which he gained in various companies, including the automotive industry in Germany and abroad. Since August 2019 Malte Mornhart has been responsible for the Corporate Finance department at Dr. Schneider.

„Together with Mr. Mornhart as Commercial Managing Director, we will position our Unternehmensgruppe for the future,“ declare both owners Sylvia Schmidt and Annette Schneider explaining the change in management. „At the same time, we would like to thank Wilhelm Wirth for his many years of commitment, his dedicated and loyal work in the past years and wish him all the best for the future“.

Wilhelm Wirth, who had been the commercial managing director for more than 20 years, is leaving the company at the end of February.

There are no changes in the remaining board of management. Thomas Stadelmann will continue to be the chairman of the management board - Parag Shah will also in future be responsible for sales and program management.

### **Dr. Schneider Unternehmensgruppe | Short Portrait**

The Dr. Schneider Unternehmensgruppe is headquartered in the Upper Franconia region of Bavaria in the town of Kronach-Neuses. The Group has made itself a name as a specialist for first class products for automotive interiors – from innovative ventilation systems and sophisticated modules for dashboards and center consoles to highly integrated panels and mechatronic components. As a flexible system coordinator and strategic business partner for our customers, Dr. Schneider is working on intelligent solutions for tomorrow's mobile world today. We produce at seven locations in Germany, China, Poland, Spain and in the USA as well as maintaining numerous distribution offices worldwide. More than 4,000 employees work for us around the globe using smart technology for a premium driving experience with a "Focus on Excellence". As a full-service supplier, our expertise and services include the latest techniques in tool design and construction to highly modern injection molding technology and advanced industrial coating technology all the way to cutting-edge assembly technology. Our customers include such prominent brands such as BMW, Daimler, Fiat Chrysler Automobiles, Ford, Jaguar/Land Rover, PSA, Renault, Toyota, Volvo as well as the the VW Group.
